

ARTUR

Design Love Arbén

Produktinformation

Diskret som en viskning men ändå otroligt närvarande. Med sitt enkla formspråk skapar serien harmoni och lugn.

artur är en elegant möbel som med sin minimalistiska estetik tillåter sin omkringliggande miljö att träda fram utan att själv tappa fästet.

Teknisk information

artur-borden är baserade på ett stativ i fyrkantsprofil och en bordsskiva i svart eller vit kompaktlaminat med svart kärna. Finns nu även med ekfanér eller infärgad MDF. Skivtjocklek 12 mm.

Stativ med vit, svart, silvergrå, blå, grön, gul och röd pulverlack med justerbara fötter. Dimension fyrkantsrör 35x35 mm.

Product information

Subtle as a whisper but still extremely present. With its simple idiom this series creates harmony and calmness.

artur – is a stylish design furniture with its minimalist aesthetic allows its surrounding environment to stand out without itself losing its design function.

Technical information

The artur tables are based on a frame with square profile and table tops in white or black compact laminate with black core. Also available in oak veneer or stained MDF. The table top thickness is 12 mm.

Frame in white, black, silvergrey, blue, green, yellow och red powder coating with adjustable feet. Dimension square tube 35x35 mm.
