Inställningar

ADJUSTMENT SETTINGS

Använd det högra handtaget för att justera sitshöjd.

Use the handle in the right to adjust the seat height

Tryck handtaget uppåt för att justera sitsdjupet.

Press the handle upwards to adjust the seat depth

Tryck in knappen under armstödet och för det uppåt eller nedåt.

Use the button under the armrest and pull up and push down to adjust height

Drag ut handtaget för att frigöra ryggen och tryck in för att låsa.

Pull out the handle to release the back and push in to lock
